Dear *Sponsor*,

The Lake Central High School Swimming and Diving team will be hosting the second annual Lake Central Sprint Triathlon on May 3, 2014. The triathlon is a fundraiser for the Lake Central High School Swimming and Diving team that helps to cover costs for the upcoming season. Competitors participating in the event swim in the Lake Central pool, bike through the streets of St. John, and run on the Lake Central cross-country course. Last year with over 80 participants, the event was successful thanks to the support of the community. We are excited to host this wonderful community event again this year and are asking local businesses for their help. You can support the event in the following ways:

Promotion

Registration fliers for the triathlon will be available for your business to post and make available to your customers. Promotion of the event is critical to the success of the event.
